MISSIVES ARE NOT CLAIMED

But Publication is Made to Overcome Failure of the Senders.

There may be a lesson to learn in the matter of directing letters. The government requirements are always sufficient, but it is evident many letter writers forget all about them. In other instances missive senders are in too much haste and they wonder why there are no responses. At times in their impatience they are inclined to blame the postal authorities. They forget that it is always important in any business to do things right. For instance, there is scarcely a grocery store that takes a telephone order to send so and so to Broad Oaks or other sections within the city without knowing to a fair certainty, where the place that placed the order is. What wholesale firm expresses goods to Braxton county without knowing the station at which the same are to be put off the train? The postoffice department seems to have fully appreciated the fact that letter writers are in too much of a hurry sometimes to address letters properly and the additional fact that the American people are so up-to-date that they move quickly. At any rate the department prefers one to call for unclaimed letters advertised rather than send them to the dead letter office, and here goes a list submitted by Postmaster Sherman C. Denham:

Mrs. Sherman Arnett, Vitrilla; Agustino, Jacob Albert, Ben Bell, Slavatore Brunetti, Mrs. J. H. Brainer, Harvey Brainer, Slavatore S. D. Barbieri, Clarence Beny, E. D. LECTURE

Will Be Given at Ash Chapel by a Morgantown Pastor.

The Rev. Otis R. Snodgrass, pastor of the Jerome Park Methodist Episcopal church at Morgantown, will give an illustrated lecture Friday night at 7:30 o'clock in the Ash Chapel Methodist Episcopal church, in Broad Oaks, on the subject: Touring the World as a Christian Sightseer.

One hundred beautiful pictures are to be shown by means of a stereopticon, illustrating this most popular and up-to-date subject. The Rev. Mr. Snodgrass is a lecturer and entertainer of several years experience, and it is expected that a large audience will be present to hear him. A small admission fee will be taken at the door to cover the expense of the lecture.

THREE GIVE CITY MONEY.

Three men yielded up cash at this morning's session of police court, which was held by Mayor Frank R. Moore. One paid a fine for street drunkenness, another paid a fine for disorderly conduct and the other forfeited a cash bond by not appearing for trial on a charge of disorderly conduct.

URGENT CASES.

E. D. Hupp, United States deputy marshal, has returned from Philadelphia. It was his intention to go to the mountains to work on internal revenue cases but he received orders to return to his headquarters to look after more urgent cases and arrests are expected within the next few days.

Benjamin Rodgers and son, of Philadelphia, are guests of Mr. and Mrs. George F. Rodgers, of Mt. Clare.

Money Couldn't Do It.

Money wouldn't really pay for some medicines. In cases of acute or chronic cases of rheumatism Martin's Rheumatic and Blood Elixir has more than a dollars-and-cents value.

You can always feel safe with a bottle of this reliable medicine in the house. Makes the blood pure and rich. Has no equal as a tonic for enfeebled conditions of the system. Cures rheumatism by dissolving the uric acid. All dealers sell it.

Reads the Pages of History of Two Very Bitter Rivals on Gridiron.

(Carson.)

It is a self evident fact from the rumors that are afloat that Clarksburg will be well represented at the annual football game between Washington and Jefferson and the West Virginia University which is to be played this year at Morgantown. With all colleges there is one big game each year and with the university, this, the Washington and Jefferson game, is the big one. It would sound funny to state that old students from thousands of miles will be back to the river town to see the clash this season but such will be the fact. Distance is set at naught when Washington and Jefferson is to meet West Virginia as far as any old West Virginia graduate is concerned.

November 4 will probably go down in history for Morgantown, as the day will be a gala one, and the like of which has never been experienced by the students of Morgantown and the old residents. Probably the largest crowd that ever witnessed a football game in Morgantown will be present in colors resplendent, rooting for their favorites and in this respect Washington and Jefferson will not have the short end of the argument as a special train by way of Wheeling and Fairmont will take 1,000 red and black rooters to see the clash.

In Morgantown it is hope against hope with a prayer for Fortune, to hover down upon the gold and blue warriors and if there is any lucky breaks in the game, it is hoped that they may fall upon the boys who will so gamely struggle to place for the first time in the history of a West Virginia—Washington and Jefferson football game, the old dearly beloved colors of West Virginia over the colors of Washington and Jefferson.

About twenty times have these two bitter rivals met upon the gridiron and in every instance except one, the Morgantown boys, have gone down to defeat. In this particular exception West Virginia won in Washington, Pa. in 1903 by the assistance of the referee's decision and a riot which followed this victory of the West Virginia team still lingers in the breasts of the Morgantown boys who played and the ones who witnessed the contest.

A defeat Saturday of Washington and Jefferson in Morgantown would be the cause of a suspension of classes for at least a week as it is doubtful if order could be maintained before that time. It matters not what has gone before this season in football or what follows, the ambition of the husky mountaineers at Morgantown is to crumple down into the bitterest pangs of defeat the hated red and black warrior from Little Washington.

Considering "dope" Washington and Jefferson should have an easy time in the game, but what does "dope" amount to and especially so when rivals like these two are going to meet and settle the question of supremacy upon the gridiron? Morgantown players will enter the game Saturday with that old spirit of do or die and what will they care whether they come out whole, alive or not? Little if any. It will be, "defeat W. & J. and as for me I care but little what happens after that."

Many Clarksburgers who are figuring on attending the game have already left for Morgantown to take in many of the other festivities which are to be held there, such as the Greek letter fraternity banquet and also a grand ball to be given in the armory. Other Clarksburgers who are figuring on seeing the game alone will leave on the 10:30 interurban car for Fairmont Saturday morning and arriving in Fairmont at 12:00 will have ample time to make connection with the 1 o'clock special train out of Fairmont, arriving at Morgantown in plenty of time for the game. Returning the special train will leave for Fairmont about 5:30 and the regular Pittsburgh flyer will come through Morgantown at 8:30 o'clock.

BOWLING NEWS

The Loar and White team, of the City Duck Pin League, met and defeated the Adamston team three straight games at the Gore bowling alleys last night.

The Adamston team was surely off its stride. It had a chance the first game when the Loar and White team was down, but failed to take advantage of it, and lost by twelve pins.

In the second game it was nipped until Rudy went from 69 in the seventh box to 127, which swamped the Adamston team.

In the last game the high guns of the Loar and White team cut loose and shot a little better, completely outclassing its opponent.

Scorry and Collins, of the Adamston team, seemed to be the only men to get any scores, while all excepting C. Deem were in the spot light for the clothiers.

Adamston has released Grimm and signed James Williams, Shewman, of the Loar and White team, was out of the game last night owing to a weak ankle.

Tonight's Game.

Crescents vs. Gas Company.

Manager Earl Dresbach, of the Gore bowling alleys, awarded the prizes to the high average and high individual score roller Wednesday night at the alleys. A large crowd was present to witness the game by the Adamston and Loar and White teams, and the winners were given a great ovation as they were handed their prizes.

John Powell was the first to receive a prize, he having won the high average in three consecutive games of dunks, his score of 376 beating all other contestants.

F. A. "Daddy" Drake, the old time favorite, came in for a double share of the prizes, as he won both the individual prizes. He had the three consecutive games of ten pins up to the last day, when Ours beat him out one pin, making a total of 686 in three games.

The fact that prizes are to be awarded every two weeks is making all the bowlers take more care and try for all pins, and in this way many good games are being rolled.

W. F. Stewart underwent a surgical operation in St. Mary's hospital Thursday morning and rallied nicely, and at present all conditions indicate a speedy recovery.

IMMEDIATE EFFECT OF GREAT KIDNEY REMEDY IS SOON REALIZED

According to my experience I do not consider there is anything to equal Dr. Kilmer's Swamp-Root for kidney affection. Twice I returned to the hospital I was completely helpless.

The last time I was traveling in Texas, when my kidneys became affected, and for ten days I suffered excruciating pain, accompanied with severe chills. Several years previous having been relieved of a similar attack, I naturally sought relief as before, from Swamp-Root. After using four of the large size bottles, I was completely restored and went on my way rejoicing and praising Dr. Kilmer's Swamp-Root. This was three years ago, and I have no indication of the return of the affliction.

Yours very truly,
